CALIFORNIA LEGISLATURE—2003-04 REGULAR SESSION

### ASSEMBLY BILL

No. 445

# Introduced by Assembly Member Vargas (Coauthors: Assembly Members Maze, Mullin, and Koretz)

(Coauthor: Senator Alpert)

February 14, 2003

An act to add and repeal Article 6 (commencing with Section 4998.90) of Chapter 14 of Division 2 of the Business and Professions Code, relating to social workers.

#### LEGISLATIVE COUNSEL'S DIGEST

AB 445, as amended, Vargas. Social workers.

Existing law defines an approved school of social work to mean a school that is accredited by the Commission on Accreditation of the Council on Social Work Education.

This bill would require that, on or after January 1, 2006, only an individual who possesses a degree from an approved school of social work, or from an institution that is in candidacy status, as determined by the Council on Social Work Education, may use the designation or a foreign school of social work, may represent himself or herself as a "social worker." The bill would specify certain exceptions, including that a graduate of a school in candidacy status, as determined by the Council on Social Work Education, may—be—designated represent himself or herself as a "social worker" if the school fails to achieve accreditation from the council. The bill would also specify that it shall

not be construed to apply to an individual who is classified by his or her employer as a "social worker" if the individual holds this designation classification prior to January 1, 2004, and is continuously classified as a "social worker" subsequent to that date, or to an individual who is a graduate of a foreign school of social work. The bill would make legislative findings and declarations regarding social workers. The bill would specify that its provisions would become inoperative on July 1, 2009 2012, and be repealed on January 1, 2010 2013.

Because a violation of the bill would be a crime, it would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: -no yes. State-mandated local program: -no yes.

The people of the State of California do enact as follows:

- 1 SECTION 1. The Legislature finds and declares all of the following:
  - (a) Social work is a 105 year old worldwide profession that deals with the critical aspects of the state's most vulnerable consumers, including abused, addicted, mentally ill, and disabled adults and children, who have the right to expect that a person with the title of social worker has the appropriate training, experience, and education.
  - (b) There is ambiguity and sometimes a critical lack of care because consumers are unaware that they are receiving services from a professionally trained and educated social worker.
  - (e) A social worker possesses a specific body of professional knowledge, training, and experience that is gained when the social worker acquires his or her social work degree.
  - (d) A social work degree is based on scientific theory and evidence-based practice.
- 17 (e) A minimum competency standard is necessary so that a social worker fulfills his or her obligations.

(f) It is key that a consumer and provider have clarity about a social worker's responsibilities.

- (g) While this legislation protects the title of social worker, it does not limit any other health care or social service title.
- (h) The public confidence and the consumer's security are paramount, and protecting the social worker title is critical to successful social work for individuals, families, and communities.
- (i) It is vital that a consumer that seeks or receives social work services recognizes that he or she is obtaining the full benefit of a professional social worker.
